The American Postal Workers Union, AFL-CIO (APWU) has scheduled a Technical Conference for tomorrow, May 1, 2012 at 10:00 am at the Postal Regulatory Commission. See APWU Notice of Technical Conference filed April 18, 2012.

The Technical Conference has been scheduled to discuss the testimony and modeling work of APWU witness Pierre Kacha (APWU-T-3). Specifically, Mr. Kacha and his team will review the objectives of the study, the results of various scenario runs and conduct a review of the model.

Although Mr. Kacha's testimony and model rely on information filed under seal by the Postal Service, we do not anticipate the need to disclose any non-public information during this session.

Respectfully submitted,
